Mr. Bill Maurer
2403 Riverside Drive
North Vancouver, BC V7H 1V8

Dear Mr. Maurer:

Re: Riverside Drive - Proposed Traffic Calming

Thank you for your letter dated May 17, faxed on June 17, 2001, expressing concern for the possible use of Traffic Calming devices such as speed humps along Riverside Drive.

We will take your comments into consideration as part of the Riverside Drive Traffic Calming community review process, currently underway.

Staff will make a recommendation to Council in early July 2001 on the Riverside Drive Traffic Calming Plan, and residents will then have an opportunity to make a presentation to Council.

Yours truly,

A handwritten signature in black ink, appearing to read "Ken Krueger", written over a faint grid background.

Ken Krueger
Transportation Planning Dept.
